

Clement Donzel

Web Marketing Specialist at Dassault Systèmes SolidWorks

cdonzel@gmail.com

5 people have recommended Clement

"Clement has a great attitude, rapid in response, and always looking to learn new things. We work in slightly different groups within the overall Marketing department--but occasionally cross paths to work on the same project. Each time we've done that, I've seen how determined he is to produce the highest quality solution. It has been a pleasure, and I look forward to working with him again."

— **Michael Duggan**, *eMarketing Project Manager, Dassault Systemes SolidWorks Corp.*, worked with Clement at SolidWorks

"Clement was a key contributor to our partner and our lead generation team. Clement always executed projects with energy, focus and great success. Some of his sample contributions include:
- The first and very successful prospect seminar for a new product line, - An online application process for business partners (due which eliminated wait times for application processing), - Putting in place telemarketing activities, training and follow-up with process to pre-qualify prospects and setup appointment with our resellers, - A broad range of co-marketing activities with partners for demand generation. I would welcome Clement as part of any organization that I am working for."

— **Rainer Gawlick**, *VP Worldwide Marketing and Strategy, SolidWorks*, managed Clement indirectly at SolidWorks

"Clement was quick to respond and efficiently completed the tasks at hand."

— **Devon L'Ecluse**, *Account Executive, Apple*, was a consultant or contractor to Clement at SolidWorks

"Clement's ability to learn fast makes him someone you can trust to deliver. His positive attitude is one of his best assets. A great teammate by all standards."

— **Thomas Pinvin**, *Marketing and Sales Project Manager, SolidWorks*, managed Clement indirectly at Dassault Systèmes SolidWorks Corp.

"I had the pleasure of working with Clement at SolidWorks. He is a resourceful, creative and extremely helpful colleague, with a global viewpoint and an endless appetite for new knowledge and new projects. He would be an important and productive asset to any team; and I would be very happy to work with him at any time in the future."
